HELPFUL HINTS

1. Always keep your receipts to help resolve potential errors.
2. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/fail, and pre-registration). The semester calendar is on this page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.
3. Drop or withdraw from courses by appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attended the class or not.
4. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Wheatley Registration Center.
5. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you don't receive a bill check with the Bursar's Office.
6. Keep your address up to date in the Office of the Registrar. This is our best means of communication.
7. Keep your schedule books and/or schedule cards. You will need them for Final Exam room assignments.

HOW TO REGISTER

The period from Monday, May 1–May 12, 1989 has been set aside for registration for Fall 1989.
Please read the following instructions carefully so that you will understand how to register for next semester.
Pre-Registration Forms will not be accepted after May 12, 1989.

Where To Obtain Your Registration Forms

1. CAS declared majors at major departments.
2. CAS undeclared majors will have forms mailed with instructions.
3. CPCS registration materials can be picked up at Enrollment Services, 1st floor Park Square.
4. Management majors at McCormack Hall, 3rd floor, Room 415.
5. Nursing majors at Science Building, 3rd floor, Room 012.
6. Physical Education majors at Wheatley Building, 3rd floor, Room 154-31.
7. Education majors at Wheatley Building, 2nd floor, Room 99-5.

FORMS MUST BE RETURNED TO THE APPROPRIATE OFFICE BY MAY 12, 1989.

- CPCS students should return their forms to the Office of Enrollment Services, 1st floor Park Square.
- Continuing students who do not submit registration forms by May 12, 1989 will be assessed a $25 late registration fee. The next available time a continuing student can register for Fall 1989 will be Add/Drop period beginning August 31, 1989.

Registration Forms

1. Each student is given a form on which to register. This form allows the option of registering for nine courses or seven courses with two alternates.
2. **Free Time Exempt Form** — These forms are used so that students may indicate particular hours during which they do not wish classes to be scheduled. To insure that the information can be interpreted, it is essential that a #2 pencil be used to fill in the slots corresponding to the times and days of the week during which you do not want classes scheduled.
   Use of these forms do not enhance your chances of receiving a section that you request, they could in fact limit your ability to obtain a course because you will not be assigned to sections that meet at hours from which you have exempted yourself. Use of these forms could limit your chances of receiving a full schedule.
3. The registration form and time exemption form are read by machine. This means the markings must be completed carefully, i.e., no erasures, stray marks, folds, etc. A #2 pencil must be used.

Semester Schedule Booklets

The schedule booklet is the list of courses that will be offered in the Spring '89 semester. Your program for the next semester should be chosen from this booklet, along with the course addenda which is a list of changes made to the semester booklet (added sections, cancelled courses, etc.). Please do not select courses from the schedule booklet without checking the addendum as changes may have been made.

The University course listing is a complete listing of courses offered with descriptions. University requirements are also listed in this book.

STUDENTS WHO OWE FOR A PREVIOUS SEMESTER WILL NOT BE ALLOWED TO REGISTER FOR FUTURE COURSES.

AFTER PAYING STUDENTS MUST APPLY FOR READMISSION. IF NOT PAID BY DEADLINE, STUDENTS MUST WAIT UNTIL SPRING 1990 FOR READMISSION.

HOW TO FILL OUT YOUR REGISTRATION FORMS

1. Be sure that all numbers are penciled neatly and completely. Double check to see that entries are accurate. If a number is incorrect or illegible or not blocked in totally, the entire transaction will be invalidated.
2. Use the 6 digit schedule number assigned to the specific section of the specific time you wish to take the course (see example 1 below).

DEPT.	COURSE SECTION	SCHEDULE NUMBER	TITLE MEETING TIMES	BLDG. FLR. RM.	CR	INSTRUCTOR

	7	146343	MWF 10:30	1-1-054	ANDIC	

3. When registering for a course with 2 or more parts (lec., lab) be sure to include all parts or you will arbitrarily be assigned the missing portions (see example 2 below).

4. **Alternate Choice** — Some choices are listed with the notation "Alternate choice advised". This is used for courses which in the past have been consistently overenrolled. This does not mean you cannot request one of these courses, only that you would be well advised to consider making an alternate choice along with this request. It would also be helpful to use the 2 alternate choices whether or not it is specifically advised as their use enhances a student's possibility of obtaining courses. Alternates must be a different course — not a different section of the same course. For example: Alternate 1 will be considered only if course request 1 cannot be scheduled. Similarly, alternate 2 will be considered only if course request 2 cannot be scheduled. Alternates are not transferable from one choice to another.

IMPORTANT REGISTRATION INFORMATION

Submission of a registration form and acceptance into a course(s) incurs a financial obligation for that course(s).

Your obligation can only be removed if you withdraw from the University prior to the start of the semester.

Your tuition and fees will be reduced if you:
1) Reduce your course load during the Add/Drop period or
2) Completely withdraw from the University prior to the sixth week of the semester.

Your are financially responsible for any register course(s) remaining on your schedule as of the end of the Add/Drop period, even though you:
1) Completely withdraw from the University after the sixth week of classes or
2) Reduce your course load after the Add/Drop period or
3) Receive a grade of "NA" (see below)

Failure to attend classes does not constitute a withdrawal. A withdrawal is an administrative procedure, and a withdrawal form must be completed by the student and submitted to the Office of the Registrar. If you have not dropped a course by the Add/Drop deadline, not only will you be liable for the tuition but you will also receive one of three grades. One, the grade of NA (if attending) will be given if your instructor takes attendance and submits the grade of NA to the Wheatley Registration Center. Two, if the instructor does not submit an NA list and you do not drop or withdraw from the course you will receive the grade of F. Three, the grade of W if you submit the appropriate course withdrawal form to the Wheatley Registration center by the published deadline.

INSTRUCTIONS

Using #2 pencil, fill in one block, (minimum) for each COURSE or Specific SECTION. Up to three blocks may be needed if specific sections of a course with lecture, lab and/or discussion portions are stipulated. Confine marks to designated positions. Do not overlap marked positions.

Blocks eight and nine may be used where the Schedule Booklet indicated "alternate choice advised" because of frequent over-subscription. Otherwise, regular choices can be entered in eight and nine.

If one of these forms cannot describe the particular configuration of your course choices, a second form with additional information may be filed.

Carry completed form to the Appropriate Office.

GENERAL INFORMATION

The N/A grade may be placed on a student's transcript if the student has registered for a course, and did not attend the course during the Add/Drop period, and failed to drop the course by the published Add/Drop deadline. The N/A grade does not affect a student's grade average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition under which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

If a student does not complete all requirements by the declared graduation date, then it is the student's responsibility to submit an updated declaration form to the Office of the Registrar to be considered for a new graduation date.

COLLEGE OF ARTS AND SCIENCES GRADUATION REQUIREMENTS

The undergraduate curriculum in the College of Arts and Sciences is divided into three parts: preparation in general education, a major field of study, and electives to complement the breadth and depth of a liberal education. To assure that all students who are graduated from the College of Arts and Sciences have completed a rigorous and coherent course of study, the college has established a series of seven requirements for the Bachelor of Arts (BA) degree. Students in certain fields may receive a Bachelor of Science (BS) degree by completing an eighth requirement.

1. Freshman Writing Requirement

CAS students must take a year of Freshman Composition (English 101 and English 102) or gain a waiver. Freshman Composition teaches the fundamentals of expository writing and the presentation of research. Expository writing skills are necessary for term papers and written presentation of ideas in all CAS disciplines. Students who place into English 010 on the English Placement Test must complete the composition sequence Eng 010, Eng 101, Eng 102. Transfer students must complete English 102 or gain a waiver regardless of course credit for freshman composition from other institutions.

2. The Core Requirement and 3. The Distribution Requirement

To assure that they develop a broad familiarity with the range of human knowledge, CAS students are required to take twelve courses distributed among six or seven broadly defined areas: The Arts, Historical and Cultural Studies, Philosophical and Humanistic Studies, Social and Behavioral Sciences, Natural Sciences, Mathematics and Computer Science, and Foreign Languages.

For most students the twelve courses will include 5 C Core courses and 7 Distribution courses. Some students, however, are not required to take C courses and will take twelve distribution courses. See the outline below to find out which applies to you.

Core Courses

Students required to take 5 C courses must take three at the 100 level and two at the 200 level.

Core courses are designated by a C in the course number (e.g., Philosophy C108) and are commonly referred to as C courses. Core courses are specifically designed to introduce students to broad conceptions of knowledge and the skills of writing, critical thinking and quantitative reasoning that are necessary for understanding them. They are introductory in character, but not designed as preparation for a specific discipline or as the basic course in a departmental major. C courses are limited in enrollment in order to provide more intense instruction in academic skills. NO MORE THAN FIVE C COURSES MAY BE COUNTED TOWARD GRADUATION CREDIT.

Distribution Courses

With a few exceptions, all 100-level and 200-level CAS courses of 3 or more credits are assigned to one of the seven core/distribution areas and count toward fulfilling the requirement. These courses contribute to general education through their breadth of knowledge in one of the following ways: they survey a discipline, they offer an interdisciplinary approach to the subject matter, or they use a relatively narrowly defined topic to investigate major themes in an area of study.

The twelve Core/Distribution courses taken as a whole must be distributed in six or seven of the areas. As many as three courses may be counted in only ONE area, with a maximum of two in the other areas. Students beginning a foreign language at the 101 level must pass two semesters of that language in order for them to count in the distribution. It is possible to waive foreign language and mathematics distribution requirements; see section on "Waivers."

Check the entry dates below to find out which version of the Core/Distribution applies to you:

Students who entered Fall 88 and thereafter

FRESHMEN OR TRANSFERS WITH FEWER THAN 30 CREDITS must include five C courses among the 12 courses: three C100-level courses and two C200-level courses

TRANSFER STUDENTS who enter with 30+ credits are required to fill the distribution requirement. They are not required to take C courses. If they do, they are subject to the limit of three C100 courses and two C200 courses.

Students who entered between Fall 85 and Spring 88

ALL STUDENTS, TRANSFER AND FRESHMEN, are required to include 5 C courses among the 12 distribution courses. Some transfer courses may have counted toward fulfilling the C course requirement. To ascertain which and how many transfer courses were assigned as C core courses students should refer to the Transfer Course Evaluation they received from the Admissions Office when they were accepted or to an "internal" transcript. Upon completion of the C course requirement no more C courses will count toward the 120 credits required for graduation.

Students who entered before Fall 85

These students should see an academic advisor to determine core curriculum requirements.

4. The Writing Proficiency Requirement

Both the overall design of the Core Curriculum and the materials and methods of individual core C courses assist students in acquiring critical skills. Foremost among these is the ability to present ideas clearly, correctly and persuasively in English prose. For this reason, the College requires students to demonstrate proficiency in writing by either passing a proficiency examination or submitting a satisfactory portfolio of papers before the beginning of the junior year. This requirement holds for all students who entered CAS as freshmen in September 1978, or thereafter and for transfer students who entered CAS in January, 1979 or thereafter. Students absent from the College for two or more years and readmitted since Spring 1985 must also pass the requirement prior to the junior year or before their second semester of full-time enrollment. Further information about the Writing Proficiency Requirement is available in the College's Office of Academic Support and Advising.

The Writing Proficiency Examination: The examination is given three times a year. Dates are posted in the Office of Academic Support and Advising and in the Mass Media. A student should sign up one month in advance of the scheduled date in order to prepare the assigned materials, which should be picked up when the student signs up for the exam. In order to pass the examination, the student must write an acceptable essay based on a set of readings and a question designed to elicit evidence of thorough understanding of the readings, as well as the ability to synthesize material, draw inferences, and construct a well-organized response in good English.

NOTE that the Writing Proficiency Exam IS NOT THE SAME as THE ENGLISH PLACEMENT TEST, which all students take upon entrance to the College.

The Portfolio: The Portfolio is an alternative method of demonstrating writing proficiency. It may be submitted at any of the scheduled exam times and in October. It consists of four papers, each at least five typewritten pages in length. Three of these are expository papers, written for courses, and based on reading materials. The instructor's assignment and verification of originality must be included for each of the three course papers. The fourth essay is a new one, written on a topic and series of readings distributed by the Office of Academic Support and Advising.

Failure to take/pass the examination/portfolio: Students who have not satisfied the writing proficiency requirement by the time they have accumulated 68 credits must take AS 044, a critical reading and writing course designed to help students pass the requirement. Students with 68-89 credits must have their schedules approved by the Director of the Writing Proficiency Program. Students with 90 or more credits who have not taken/passed the examination/portfolio are suspended until they have completed the requirement.

Waivers

The Freshman Writing Requirement may be waived. Students should inquire at the Department of English.

Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language will receive a waiver for two Foreign Language courses toward the distribution requirement. Native speakers of languages other than English are encouraged to apply for this waiver. Students granted a waiver in a Foreign Language need take only ten courses toward the distribution requirement. Students receiving a BS degree need only show evidence of elementary proficiency in order to waive these courses.

Students who present evidence through placement scores or transcripts of work in Mathematics equivalent to college calculus (Math 141) will receive a waiver for two Mathematics courses toward the distribution requirement. Students granted a waiver in mathematics need take only 10 courses toward the distribution requirement.

Students who receive waivers in both Foreign Language and mathematics need take only 8 courses in the distribution requirement.

There are no waivers for the Writing Proficiency Requirement.

COLLEGE OF ARTS AND SCIENCES COURSE LOAD POLICY

Students may enroll for no more than FIVE (5) courses. After the first semester, however, students may take ONE (1) additional course under the following conditions:

A. The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 or above.

B. Written permission is secured from the Associate/Assistant Dean for Academic Studies.

INCOMPLETE POLICY

The grade incomplete (INC) is reported only where a portion assigned of required class work, or the final examination, has been completed because of serious illness, extreme personal circumstances, or scholarly reasons at the request of the instructor. If the student's record is such that s/he would fail the course regardless of the missing work s/he fails.

Permission of the instructor must be obtained and the **Form for Grade Incomplete** must be completed. These forms can be obtained from the appropriate Departmental offices.

A student receiving the grade of "incomplete" is allowed one year in which to complete the course. The new grade must be submitted to the Registrar's Office by the grading deadline for that semester, i.e., by the end of the **next fall** semester for fall incompletes. The grade for any course not completed by this deadline will be converted to the grade of "F," and the student will not be allowed to complete the course.

N/A GRADE

The N/A grade may be placed on a student's transcript if the student has:

registered for a course, and
did not attend the course during the Add/Drop period, and
failed to drop the course by the published Add/Drop deadline and if faculty take attendance and submit N/A grade roster by designated deadline.

The N/A grade does not affect a student's grade point average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition in which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

CLASS ATTENDANCE

Students whose names appear on a course roster may be asked to drop the course or be added to the end of the waiting list at the end of the second class session if they have not attended either class or have not communicated their intention of attending the class to the instructor or the department chair in writing. In the case of a class that meets only once a week, failure to attend or to communicate the intention to attend either to the instructor or department chair by the beginning of the second meeting will result in the same action.

MANAGEMENT MINOR FOR CAS STUDENTS

The College sponsors a minor in management in collaboration with the College of Management. Prerequisites include Econ 101, Econ 102, Math 110, Statistics, the completion of 45 credits, a grade point average of at least 2.75 and completion of prerequisite site courses with a B- or better. More information and application forms are available in the CAS Office of Academic Support and Advising. Application Deadline for Spring 1990: November 1, 1989.

RESIDENCY RECLASSIFICATION

Appeal of Out-of-State Residency Billing Status must be filed no later than the last day of the Add/Drop Period. Appeals must be filed on the appropriate form with the office of the Associate Dean of Enrollment Services, located in the Registrar's Office.

UNIVERSITY ANNOUNCES NEW COURSE REPETITION POLICY

The Faculty Council and the Chancellor have approved a new course repetition policy. This policy was effective Summer, 1988.

These are the highlights of the policy that you should know about:

- you may repeat any course regardless of the grade you earned in the course (previously you could repeat a course only if you got a grade of "F").
- you may repeat a course **only once** (previously you could repeat a course as many times as it took to remove a grade of "F").
- you may choose to exercise the option of repeating courses only four times in your undergraduate career.
- if you choose to repeat a course, both grades for the course will be posted on your transcript but only the second grade will be counted toward your G.P.A.

Do you have any questions about this new policy? We bet you do! Here are some of the most commonly asked questions we've encountered so far. If you have any questions we don't answer below, call the Office of the Registrar at 929-7200 or stop by the office located in the Administration Building, 1st Floor.

Q: I've taken Spanish 101 and 102. Can I repeat Spanish 101 for a better grade?
A: No. Courses that are offered in sequence cannot be repeated out of sequence.

Q: I'm repeating a course for the second time this semester. I didn't know about this policy until now and you've said that I can repeat a given course only one time. Will you count the grade I get this semester?
A: Yes. We will start implementing the restrictions of the new course repetition policy beginning Fall semester, 1989.

Q: I've withdrawn from a course. If I retake this course will it count as one of the four times I am allowed to repeat courses?
A: No.

Q: I've already repeated four courses in my career at UMass/Boston. I have to repeat another course to get into my major. What can I do?
A: Exceptions to the new course repetition policy can only be granted by the *Committee of the college that is offering the course you want to repeat.* You must check with that college's committee.

Q: What happens if I repeat a fifth course?
A: That course will not appear on your transcript. Nor will you receive credit for it toward your graduation.

Q: Should I inform someone if I want to repeat a course?
A: Definitely! You should always check with your advisor before repeating a course. In addition, **after** you repeat the course, you must fill out a Course Repeat Card in the Office of the Registrar, Administration Building, 1st Floor.

HELPFUL HINTS

1. Always keep your receipts (registration, pass/fail, withdrawal, etc) to help resolve potential errors.

2. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/fail and pre-registration). The semester calendar is on the first page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.

3. Drop or withdraw from courses by the appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attend the class or not. If the professor crosses your name off the class list, you must still drop or withdraw from the course through the Wheatley Registration Center.

4. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Wheatley Registration Center.

5. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you do not receive a bill check with the Bursar's Office.

6. Keep your address up to date in the Office of the Registrar. This is our best means of communication.

7. Keep your schedule books and/or schedule cards. You will need them for Final Exam room assignments.

You can capture special effects, too. Shoot it in bright or low light—at up to 1200 ASA. All for a surprisingly low processing cost. And Seattle FilmWorks lets you choose prints or slides, or both, from the same roll—without the high cost of slide film. Try this remarkable film today!

GET YOUR START IN NUCLEAR ENERGY WHERE NUCLEAR ENERGY GOT STARTED.

You've already chosen a career in a technical field—a career with a future. Now choose the perfect way to launch it: The Navy.

There's no better place to put all your technical training into practice than as an officer aboard the Navy's nuclear-powered ships.

The Navy launched the first nuclear-powered submarine in 1955. Today, the Navy operates more than half the nuclear reactors in the U.S. and is a recognized leader in their development and operation.

As more nuclear-powered ships join the fleet, there is a greater need for qualified people.

If you're one of those people, the Navy can offer you a unique experience.

You'll work with top people and sophisticated technology. And you'll get all the challenges and responsibility you can handle.

Be part of an elite team.

See your Navy Officer Programs Officer today or call 1-800-327-NAVY.

Experience tomorrow's technology in today's Navy.

NAVY OFFICER

You are Tomorrow. You are the Navy.

SEMESTER IN SPAIN

Not just for Spanish majors only, but for everyone: beginners, "in between" students, and advanced. Put some excitement into your college career.

BEGINNER OR ADVANCED-Cost is about the same as a semester in a U.S. college: $4,730. Price includes round trip transportation from U.S. to Seville, room, board, and tuition complete. Government grants and loans may be applied towards our programs.

Live with a Spanish family, attend classes four hours a day, four days a week, four months. Earn 16 hrs. of credit (equivalent to 4 semesters taught in U.S. colleges over a two year time span). Your Spanish studies will be enhanced by opportunities not available in a U.S. classroom. Standardized tests show our students' language skills superior to students completing two year programs in U.S. Advanced courses also.

Hurry, it takes a lot of time to make all arrangements.

SPRING SEMESTER-Feb. 1-June 1, **FALL SEMESTER**-Sept. 1-Dec. 22 each year.
***FULLY ACCREDITED-A** Program of Trinity Christian College.*

EXTENDED DAY PROGRAM
Fall 1989

The Schedule which appears in the following pages is for the convenience of students taking courses in what we call our "extended day" — the late afternoon and evening hours. The majority of these courses begin at 6:00 p.m. (18:00 hours) and meet once a week for two and one half hours Monday through Thursday evenings; the rest meet twice a week for one hour and fifteen minutes.

In these pages we have listed all courses, undergraduate and graduate, according to the academic programs that offer them. We have also listed the undergraduate courses according to the days of the week on which they meet.

Programs Available in the Evening

Many of the University's more than sixty degree programs are represented by extended day courses. In some programs, students can complete all degree requirements through evening study alone — that is, by taking courses scheduled after 5:00 p.m. These programs are:

Undergraduate		**Graduate**	
Computer Science	Management	American Civilization	Human Services
Economics	Political Science	Bilingual/ESL Studies	Instructional Media
English	Psychology	Business Administration	Public Affairs
History	Sociology	Chemistry	Applied Sociology
		Computer Science	School Psychology
		Counselor Training	Special Education

GRADUATE ADMISSIONS AND RECORDS

GRADUATE STUDENT REGISTRATION INFORMATION

Advanced Registration — May 1-12, 1989

Check with your Program Director for specific dates and times.

All continuing matriculated graduate students are eligible to advance register. Registration forms can be picked up from the Graduate Program Director. After the form is completed and signed by the Program Director, it may be left with the Program Director or submitted to Graduate Admissions and Records.

Continuing students who do not register during this period will be charged the $25.00 late registration fee.

Non-degree students will not be permitted to register until the add/drop period, September 1-September 12, 1989.

Add/Drop Period — September 1 - September 12, 198

Registration for new matriculated and non-degree students begins on September 1. Continuing students who did not advance register or who wish to change their schedule should do so during this period. Registration forms will be available in the Graduate Program Director's office. Completed forms for continuing students and new matriculated students may be left with the Program Director or submitted to Graduate Admissions and Records.

New non-degree students should complete a Graduate Special Student Registration Form and submit the completed form to Graduate Admissions Records with a check for the full amount of tuition and fees.

Important Reminders

- Be sure to retain the student copy of your registration form.
- If you owe money for a previous semester, you will not be allowed to register until your financial obligation is cleared. Registration forms submitted by students who owe money will not be processed.
- Continuing matriculated students who were not enrolled in courses during the Spring semester 1989 will not be allowed to register if the program fee was not paid.
- When you submit the registration form, you incur a financial obligation for those courses. Your financial obligation will be reduced if you reduce your course load by September 12, 1989 or if you withdraw from the University by the fifth week of the semester. The reduction schedule is published in the Graduate Studies Bulletin. Failure to attend class does not remove your financial obligation.

DIVISION OF CONTINUING EDUCATION

Evening Courses Off-Campus
Saturday Courses On-Campus

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday mornings at the Harbor Campus as well as the Downtown Center in Park Square. Most classes meet once a week for two and one-half hours. These courses are open to all UMass/Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

Registration

To register for an off-campus or Saturday course, you must fill out a continuing education registration form at the Office of the Division of Continuing Education (Wheatley 2/203). The office is open from 8:30 a.m. to 7:00 p.m., Monday through Thursday and from 8:30 a.m. to 4:30 p.m. on Friday. Continuing Education course fees are computed at the rate of $65 per credit and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $25 in registration and service fees but do not pay health, athletics, or activities fees. Full payment is required at the time of registration. The Division of Continuing Education accepts MasterCard and VISA for the payment of off-campus and Saturday course fees.

PARKING REGULATIONS

THE UNIVERSITY OF MASSACHUSETTS AT BOSTON

General — No person shall allow or permit any vehicle registered in his/her name or under his/her control to park or stand on any street or other area of the campus or other lands of the University in violation of these Rules and Regulations. No vehicle may be parked in any area of the campus not intended for such parking, the person in whose name a motor vehicle is registered will be held responsible for all parking violations.

On the Harbor Campus, parking is restricted to the parking garages and connecting parking lot. Payment for parking shall be made upon exit from the garage.

There are no University parking areas for the Park Square Campus.

Motor vehicles parked in these areas shall be kept only within the clearly designated parking spaces.

Motor vehicles with evidence of non-use, left in parking areas, streets or other University property for fourteen (14) days or more shall be towed away under the direction of the Director of Public Safety or any University Police Officer, and the owner of the vehicle so towed away shall be liable for the cost of such removal and storage and shall also be subject to the penalties provided in Chapter 90, Section 22B, of the General Laws of the Commonwealth. The owner will also be held responsible for the care and protection of, or damage to, any such motor vehicle and its contents.

Operation of Vehicles on Campus

Speed limit — A) All vehicles will be operated at all times at a speed that is reasonable and proper. B) At no time will a speed on any campus roadway in excess of twenty-five (25) miles per hour be considered reasonable and proper, except as otherwise posted or for vehicles engaged in emergency response. C) At no time shall a vehicle be operated within any campus parking area, or garage or area within which buses are engaged in loading or unloading passengers, at a speed in excess of five (5) miles per hour unless otherwise posted.

Disturbance — No vehicle may be operated so as to cause undue noise or disturbance.

Operating conditions of vehicles — Vehicles parked on any University property must be kept in such conditions of mechanical repair that they can be removed at any time under their own power.

Loading and discharging of passengers — Loading or discharging of passengers is permissible only when a vehicle is at a complete stop at the edge or curb of a travelled way or within a safety or service zone expressly approved for this purpose by appropriate signs and/or instructions.

Eligibility — Permission to operate a vehicle on the campus or other lands of the University is a discretionary privilege bestowed by the Board of Trustees of the University and such privilege may be denied, revoked, suspended or modified by the action of the Trustees or by the officers of the University herein authorized to take such actions under Chapter 15A, Section 13 or Chapter 75, Section 32A of the General Laws.

Any person may operate a vehicle on the campus, provided that person is otherwise eligible to operate vehicles upon the public highways of the Commonwealth. Said vehicles shall be operated and parked in appropriately designated parking places on campus. Vehicles may not be operated on campus unless all outstanding University parking fines and fees have been paid; parking privileges will be revoked, denied, suspended or modified for failure to pay current unpaid University parking fines and fees and such vehicles shall be towed away.

Liability coverage — No vehicle may be operated on the campus or other lands of the University unless the vehicle has met the Motor Vehicle Liability Policy or Bond requirements for the operation and use of motor vehicles upon the ways of the Commonwealth.

Non-resident students — A student's motor vehicle bearing other than Massachusetts registration plates must also be registered with the Massachusetts Registry of Motor Vehicles under the provisions of Chapter 90, Section 3 of the General Laws of the Commonwealth or will be subject to the described penalties. The necessary forms for registration will be available at the University's Department of Public Safety Office.

Limits of liability — The University shall not assume responsibility for any motor vehicle or parts thereof, or its contents while parked or being operated on University property. The registered owner assumes all risk of accident, and the University of Massachusetts shall not be liable for resulting injury to person or loss or damage to property.

Reporting of accidents — All accidents involving motor vehicles which occur on University property shall be immediately reported to the Department of Public Safety Office. This report is in addition to the notification to the Registry of Motor Vehicles of the Commonwealth as required by statute.

MCAT-GMAT LSAT-GRE

GAPS gives you the knowledge, confidence and the competitive edge you need to succeed on critical exams.

SCORE HIGH

Thousands of bright, otherwise eligible students are unfairly penalized every year for being underprepared, for not knowing critical test-taking skills or for freezing up during the actual exam, thus concealing their true "aptitude." You can overcome these problems if you know what kind of questions to expect, have learned proven test-taking strategies, and have practiced under simulated test conditions.

GAPS puts the proven learning techniques from the classroom into a convenient, study-at-home format.

NOTE: The number of cassettes and pages of text may vary slightly according to current exam content. Remember, these tests are changed frequently . . . and, unlike other courses, the GAPS program is constantly updated to change with them.

MCAT

Of the over 50,000 students who take the MCAT each year, only one out of three is admitted to medical school. Produced in accordance with American College Testing Program testing procedure, GAPS can give you the edge you need.

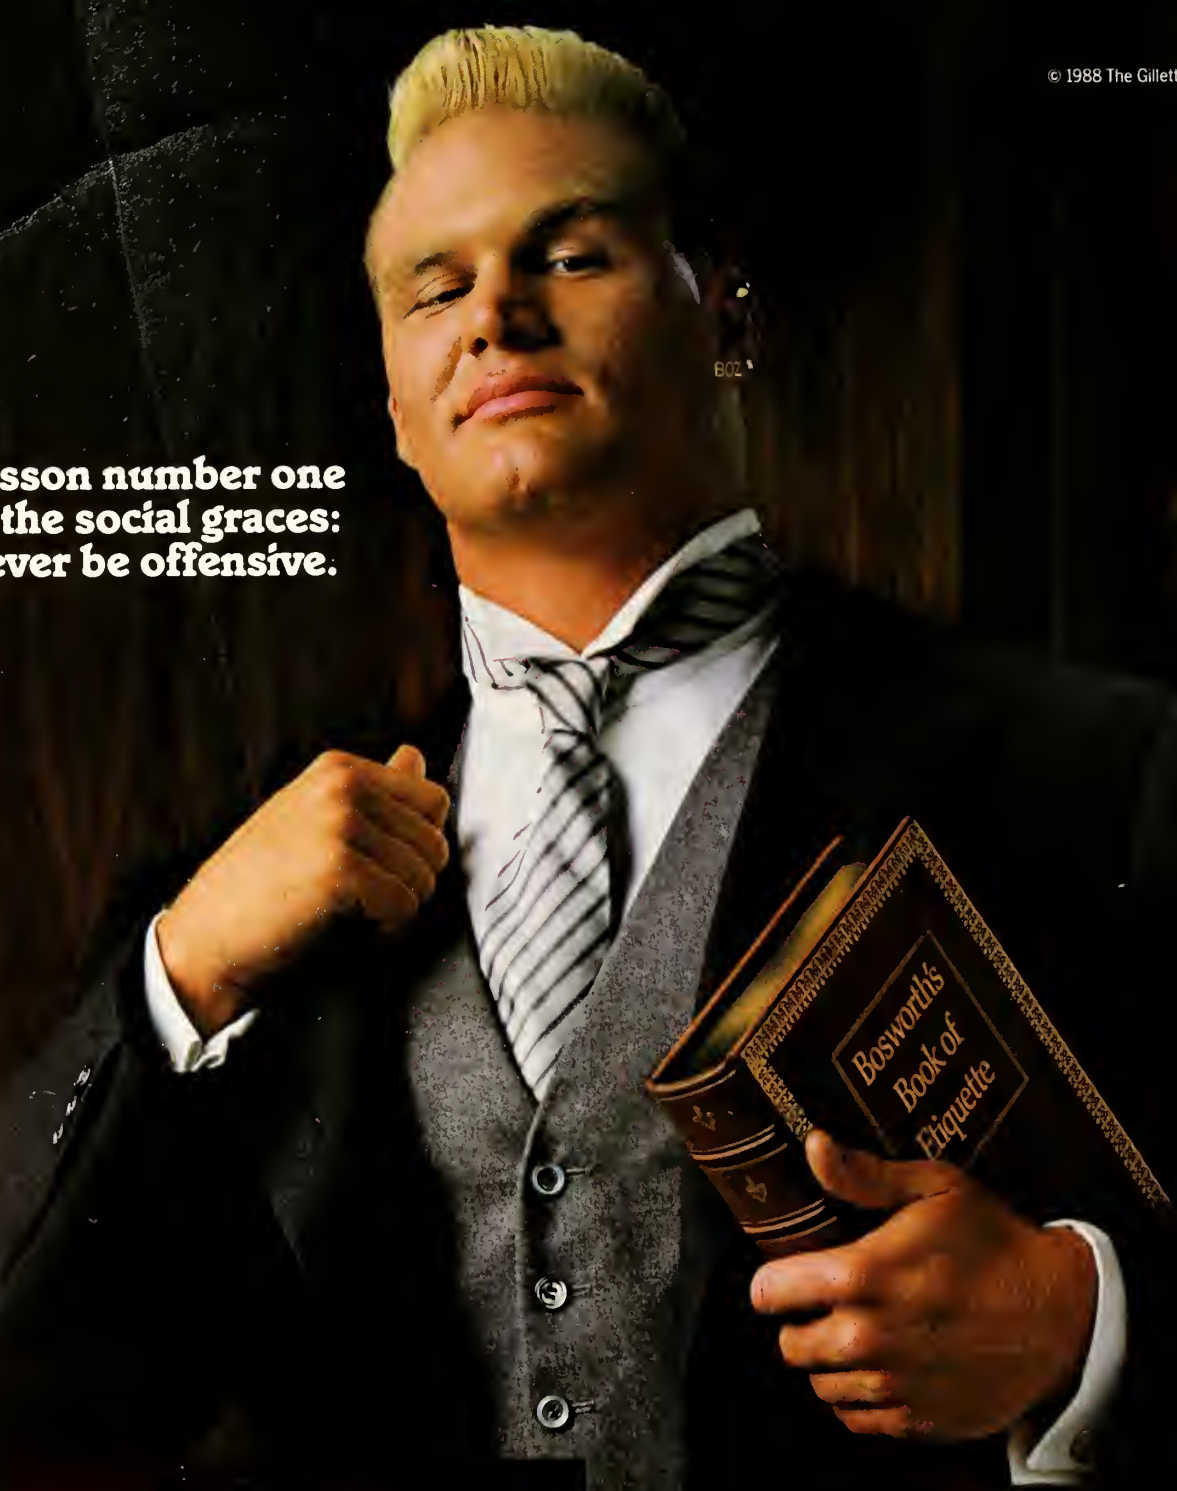
Lesson number one in the social graces: Never be offensive.



How can you separate yourself from those barbaric hordes that exude a most malodorous air? With Right Guard® Sport Sticks. Anti-perspirant. And deodorant. Replete with major protection. Sleek dome top. And two splendid scents, "Fresh" and "Musk." For who wants to appear unschooled in such a sensitive subject as Personal Hygiene?

Right Guard® Sport Sticks.

Anything less would be uncivilized.

Fresh or Musk scent. Anti-Perspirant or Deodorant.
